SERVICES SUNDAY FOR MISS IDA F. ROBBINS

Friends and acquaintances of Miss Ida F. Robbins, 88, last surviving member of one of Arlington's most distinguished families filled the First Parish Unitarian Sunday afternoon, at memorial funeral services conducted by Rev. John N. "DANGEROUS WORLD CONDITIONS HAVE FORCED THE NATION INTO A PEACETIME DEFENSE PROGRAM, WHICH WILL COST AT LEAST \$22,000,000,000 IN THE NEXT FISCAL YEAR," DANIEL W. BELL, WARTIME UNDER-SECRETARY OF THE UNITED STATES TREASURY SO STATED ON MONDAY NIGHT, AS THE UNITED STATES SAVINGS BOND OPPORTUNITY DRIVE WAS LAUNCHED IN NEW ENGLAND AT A KICK-OFF BANQUET HELD AT THE HOTEL STATLER.

More than eight hundred New England representatives of finance industry, labor and chambers of commerce attended the kick-off dinner, held simultaneously with the opening of the national bond campaign by President Truman. Governor Dever took part in the special ceremonies held at Independence, Mo. The New England quota is set at \$59,810,000 with Arlington's quota at \$136,461.

"In every situation since 1935 the savings bonds programs have met the tests 'former Under-secretary Bell, now president of the American Security and Trust Company, Washington, declared. 'There is outstanding today more than \$56,000,000,000 cash value in savings bonds: more than \$48,000,000,000 of these in the hands of individuals. All these holdings are greater than they have ever been before, even at the peak of wartime savings. One hard fact we must realize, is that we have been forced into a defense program, the duration and extent of which no man can predict.'"

Heading the General Committee are the following:

James Toner, President of Boston Edison Company, as general chairman, aided by G. Harold Welch, vice president of the New Haven Bank, N. A. B., New Haven Conn.; Arthur F. Maxwell, presi-

IT'S BOND TIME

THE BIG "OPPORTUNITY" SAVINGS BOND DRIVE IS ON THROUGHOUT THE NATION. THE KICKOFF WENT OVER ON MONDAY AND THERE'S A LOT OF THE USUAL BALLYHOO. STAGE, SCREEN AND RADIO STARS ARE VYING WITH EACH OTHER IN THE EFFORT TO WHIP UP ENTHUSIASM. ALL THIS IS INTENDED TO ATTRACT ATTENTION TO THIS WORTHY EVENT AND TO STRESS THE NECESSITY FOR EVERYONE BUYING THEIR QUOTA OF "OPPORTUNITY BONDS."

WE THINK THE SHREWD FAMILY MAN NEEDS NO ESPECIAL URGING TO GET IN ON THE BOND BUYING AT ONCE. UNDER SYSTEMATIC BUYING HE BECOMES VIRTUALLY INDEPENDENT. THE BONDS PROVIDE FOR THE FUTURE. THERE'S ABSOLUTELY NO RISK INVOLVED. THEY'RE AS SOUND AS THE UNITED STATES GOVERNMENT AND THE SAFEST OF ALL INVESTMENTS.

IN FACT, THE "OPPORTUNITY SAVINGS BOND," LIKE ITS PREDECESSORS, THE WAR BOND AND THE VICTORY BOND, COMES UNDER THE CAPTION "THE SAFEST BUY ON EARTH."

"SINK OR SWIM"

IT'S OFTEN "SINK" INSTEAD OF "SWIM," — NOT VERY PLEASANT HEADLINES TO READ, BUT EVERY SUMMER VACATIONS ARE MARRED AND TRAGEDY STALKS INTO COUNTLESS HOMES, BECAUSE NON-SWIMMERS LOSE THEIR LIVES. THIS CAN ALL BE AVOIDED.

NOW IS THE TIME TO PREPARE AGAINST SUCH HAPPENINGS, BY PLANNING SWIMMING LESSONS FOR THE CHILDREN OF ARLINGTON. IT'S AN EASY MATTER TO MAKE SUCH ARRANGEMENTS. IF THERE'S NO SWIMMING POOL IN YOUR NEIGHBORHOOD, ALL YOU HAVE TO DO IS TO CALL THE RED CROSS HEADQUARTERS FOR INFORMATION AND HELP.

MORE IMPORTANT IN OUR OPINION THAN THE ACQUISITION OF DEAD LANGUAGES IN THE EDUCATION OF OUR YOUTH, IS THE KNOWLEDGE OF THE FEW SIMPLE RUDIMENTS OF THE ART OF SWIMMING, AND THE ABILITY TO ATTAIN CONFIDENCE AND THE KNOW HOW OF LIFE SAVING PROCEDURE UPON WHICH MAY REST THE LIFE OF THE SWIMMER AND HIS COMPANIONS.

DO NOT PUT OFF THIS IMPORTANT MATTER. CALL YOUR RED CROSS CHAPTER. THEY ARE READY AND ANXIOUS TO GIVE YOU AID IN THIS IMPORTANT PHASE OF SUMMER ACTIVITY, AND THE LIFE YOU SAVE "MAY BE THAT OF YOUR OWN CHILD."

Murphy Pitches 4-Hitter As St. James Wins 7-0

In the opening game of the Paul Revere League, the St. James Holy Name defeated the Maynard Town Team, 7-0, at the Reservoir last Sunday afternoon. On the mound for St. James was Bob Murphy, who last year pitched for the St. James Intermediates. He gave up only four hits, walked only three men and struck out eleven. Maynard got only one man as far as 2nd base and one as far as third.

St. James collected fourteen hits off the slants of three Maynard pitchers. Warren Bowen got three, Day, Pessotti, Brad and Duddy Donovan each got two. S. Corbett and Carlson and Krepelka got the others, all driving in runs with their singles. The fielding plays of the game were turned in by Bowen at third, and Carlson at second.

Two Arlington Men Win Honors At Boston College

Two Arlington men—James W. Collins, 102 Newport St., and Thomas F. Murphy, 917 Mass. Ave. were chosen to represent their respective classes at recent elections at Boston College, results of which were announced today. Collins was elected athletic association representative of next year's senior class and Murphy was designated student council representative for next year's sophomore class. Over 3000 students crowded the campus polling booths to cast their ballots for the class officers who will represent them during the next school year.

Lawrence E. Spellman of Everett, a prominent intercollegiate debater, was elected president of the senior class for next year, which numbers approximately 1200 students—the largest senior class in Boston College history. Charles L. Devoe of Lexington will head the juniors and Henry Tyskowski of Providence, R. I., will be sophomore president.

Collins is a native of Springfield and the son of Margaret L. and the late Patrick J. Collins. He is a graduate of Arlington high school and is concentrating in the field of economics at Boston College. A Navy veteran, he saw foreign service in the Mediterranean theatre.

Murphy, an Arlington native, the son of attorney John L. and Irene E. Murphy, attended St. Agnes school and Arlington high school, where he was active in football. He was a member of the student council during the past school year at Boston College.

Architect John Henry Shea Discusses Town Committees

In a communication addressed to the Editor of the Arlington Press under date of May 18, Architect John Henry Shea, of 48 Lombard Terrace, Arlington, writes as follows:

Dear Sir:

I am presenting the enclosed data on the selection of Town Committees for your publication, with the knowledge that your past interest shown in matters relating to Town Affairs, will cause its publication in your paper. This will permit your readers to judge for themselves whether or not they agree with me that the facts presented show that the Town is not being fairly represented, to study the matters that deal with the interests of the entire Town.

The recent public release naming the membership of the four Town Committees as selected by the Moderator should furnish those interested in representative government the interesting fact that the formation of the aforementioned Committees is just what we are not being provided with in this Town. I have commented upon this condition before in the columns of your paper and this is just one more example of what I refer to as misrepresentation in Town Governmental affairs.

The four committees are as follows:

1. Committee for addition and alterations to the Hardy School-five members.
2. Committee to study the possibilities of improving Town property known as Fowles Pond-nine members.
3. Committee on salaries-three members.
4. Committee on forty hour work week for Town employees-five members.

The total membership as announced for the four committees

Special observation of Mother's Day was part of the program. Minnie Cannistraro who was Chairman arranged a very lovely program as a tribute to "Mother". Solos by Katherine Kelley and readings by Frances Ahern were followed by a social hour. Delicious refreshments were served by the Committee who had arranged a lovely table decorated with flowers having a picture of Mother as a centerpiece.

The next meeting will be on May 24th at Chestnut Hall.

Past State Pres. Esther O'Brien was honored by being selected as Marshall for the installation of the State officers. Francis Ahern also served on the suite.

WORTH THINKING ABOUT

In the automobile business you sink or swim on the trade-ins. I've been swimming for more than twenty-two years.

Use a simple system. Good, clean merchandise comes in, send it through the shop, offer it for sale. Guarantee it and back it with earned reputation.

Car comes in not up to par, unload it to the wholesale trade.

Result is that any used car at CROSSLEY'S is an honest value. Have some choice used cars on hand right now. Come see them.

is twenty-two members.

The following statistics are presented to prove the truth of my opinion on this subject:

Item 1. On the basis of party affiliation as recorded in the Town Precinct Lists of the twenty-two members named. Fourteen are registered Republicans. Five are registered Democrats. Three have no party designations.

Item 2. On the basis of geographical location, three of the members reside in the area of the Town known as East Arlington & nineteen of the members reside in precincts above the center of the Town.

The conclusion that I arrive at from the above mentioned items proves conclusively that the East Arlington citizens who constitute approximately fifty per cent of the Town's population and whose assessed property valuations represents more than 60 per cent of the assessed valuations of the whole Towns property valuations are recognized by the Moderator, by having only three of the residents of that area appointed to study matters which the whole Town may be called upon to pay for, if any improvements or otherwise, considered by the deliberations and suggestions presented by these four Committees are accepted at subsequent Town meetings.

This form of procedure may satisfy the present Moderator as regards equal representation but I would not consider it so.

Trusting that the information presented should be of interest to the readers of your paper to the extent that it will bring comments of value, all to the possible improvement of our governmental structure, I close after offering my personal thanks for your courtesies extended.

I am

LOCAL RESIDENT HONORED ON 83rd BIRTHDAY

Mr. James Wellington Noy of 21 Trowbridge st., Arlington, was given a surprise birthday dinner at his home, by his daughter Patricia on Sunday May 15th. Among the guests present were Mr. Noy's two sisters, Mrs. Cyrus Miller of Beverly and Mrs. Robert Floyd of Franklin. Mr. and Mrs. James Jackson and Mr. Herbert Bernier of Pawtucket, Rhode Island, Mrs. Charles Maffitt, Miss Maxine Maffitt, Mr. Maynard Maffitt Miss Patricia Maffitt of Worcester Miss Grace Pert of Beverly and Miss Marion Burke of Cambridge and Mr. Noy's son Richard of Arlington, all were guests which took part in making this a festive occasion.

Directed by John Farrow, who made "The Big Clock", and "Beyond Glory," among others, "Alias Nick Beal" concerns the sinister activities of a mysterious man who stirs up trouble wherever he goes and who blights all whom he touches.

Dan Dailey & Celeste Holm are starred in the companion film, "Chicken Every Sunday." Rosemary Taylor's best - selling novel. As the tiffing parents in the comedy, Dan has a penchant for "easy street" schemes which work out so well that Celeste has to in boarders to keep things going.

Mystery Mermaid In Spy Pond Tries To Elude Police Boat

Authorities at last accounts
were probing the mystery sur-
rounding an attractive sixteen
year old girl who was rescued from
Spy Pond, Arlington, where she
was found swimming fully clothed
on Saturday afternoon.

The plight of the girl caused
considerable excitement among a
throne of passersby and an emer-
gency call was sent to the Arl-
ington police. Sped to the Symmes
Arlington hospital, after being
taken from the water three hun-
dred yards from shore off Linnwood
street, Arlington, the girl refused
to disclose how she came to be
swimming so far out in the pond,
officials stated.

Patrolmen John Duggan, Tho-
mas R. Pigott and Timothy Hour-
ihan sped to the shore of the pond

in a police ambulance, secured a
boat and rowed toward the girl,
whether the girl fell or was push-
ed from a boat or went swimming
fully clothed, remained an enigma,
according to probers. As the po-
lice in their small boat approach-
ed, the girl continued swimming
until they caught up with her.

As the crowd of spectators who
had gathered on the shore, watch-
ed, the officers pulled her into
their craft. It was disclosed that
the girl seemed to be trying to
swim away from the rescue boat
she happened to be in the pond.
They described her as "pretty,"
and wearing a gray skirt, yel-
low blouse and no shoes.

After the girl was admitted to
the hospital, authorities made two
telephone calls to the State House

in Boston, in connection with the
case. Doctors add to the mystery
surrounding the girl by refusing to
divulge her identity or diagnosis.
It was reported that she would be
retained overnight at the hospital.

Hundreds Visit Symmes Hospital To Inspect Work On New Wing

Hundreds of interested citizens of Arlington, Lexington and adjoining communities attended the preview of the Symmes Arlington Hospital of the future on the occasion of National Hospital Day, which fell on the 128th anniversary of the birth of Florence Nightingale, pioneer in the development of hospital care.

This year the observance was of particular significance here, because Symmes Arlington Hospital looks forward to an even more commanding role in the protection of public health through completion of the first major expansion program in its 37-year history as a voluntary organization.

Those visiting the hospital and the entire public was invited to see for themselves the progress made in constructing the new four-story wing and in remodeling the existing building to create a larger and more closely coordinated hospital. An increase in bed capacity of approximately 50 per cent and addition of important facilities will make Symmes Arlington one of the largest and best equipped suburban hospitals in the metropolitan area.

From 2 to 4 p. m. and from 7 to 8 p. m., visitors were welcomed by members of the Woman's Aid Association, the voluntary organization that has served the interests of the hospital and its patient the existing building and the new wing.

On the third floor of the addition there was an opportunity to inspect the spacious delivery suite features of which are sound-proofing, circulated air and outlets of the central oxygen and suction system which will eliminate the present practice of wheeling containers through the hospital. The piping system also will reach patient accommodations on this and other floors.

New accommodations for medical and surgical patients were being shown on the second floor, as well as facilities on the first, including the 17-bed children's department. When visitors reach the ground floor, which will become the hospital's dietary department, they were served tea and coffee by members of the Aid Association.

Inside walls of the addition already have been metal lathed so that the arrangement of rooms and facilities can be pointed out clearly. In the existing building, visitors were shown the area which a new major operating room will occupy and numerous private patient rooms which have been redecorated. To finance completion of the entire expansion project, a \$300,000 building fund is being raised by public subscription.

Mrs. Lawrence R. Eaton, acting as chairman on behalf of the association, was in charge of the "open house" at Symmes Arlington. Mrs. Ernest R. Llewellyn, the chairman of the tea and coffee committee, had the special assist-

ance of many members as pourers. Individual beds and patient facilities are to be created as memorials in the enlarged Symmes Arlington Hospital, for which a \$300,000 building fund program is in progress, through new contributions amounting to \$15,800 by several citizens and one organization, it was reported today by Ernest W. Davis, fund chairman.

A contribution of \$1,800 was pledged at their meeting last week by members of the Kiwanis Club, so that a child's bed in a four-bed room in the new four-story wing may be established in the club's name. The officers are Robert C. Spence, president; Henry E. Keenan, vice president, and Lester Cameron, second vice president.

The action of the club was based on the recommendation of its board of directors whose members are Mr. Spence, Dr. L. Curtis Foye, John Bonner, Mr. Cameron, Walter J. Guild and Edgar Knueffer. Also attending the directors' meeting was Louis Doctoroff, a club member.

Explaining that Kiwanis participation in the hospital enlargement program is in harmony with the club's community service objectives, Mr. Spence commented: "This is a contribution by the organization, rather than a joint one by individual members. The pledge will be met through proceeds of club activities, at the discretion of the officers, over the next five years."

Speaking for the fund's special gifts committee which obtained the subscription, Walter T. Chamberlain, chairman, pointed out that Kiwanis counts among its membership several hospital trustees, the administrator and medical staff members and dentists. "The club," he related, "always has taken a keen interest in the work of the hospital and the committee is pleased that its devotion is continuing in such generous terms."

Two other subscriptions, each for \$1,500 were reported by Mr. Chamberlain's committee. One of them will establish a child's bed in a four-bed room as the gift of Mr. and Mrs. Louis T. Boucher. Mr. Boucher is the owner of Colonial Motors of Arlington. The second is, by John Mirak, proprietor of Mirak's Chevrolet, Inc., who has yet to select the memorial unit to be created.

Roscoe O. Elliott, chairman of the memorial gifts committee, announced the balance of the contributions. One for \$2,100 by Dr. and Mrs. Ezekiel Pratt will make possible a consulting room on the first floor of the wing as a means of recalling the prominence of the Pratt name in the early medical history of Cohasset, where the family established itself about 1700.

The room is to be dedicated to the memory of Dr. Pratt's grandfather, Dr. Ezekiel Pratt, who was born in 1780 and died in 1860 and to the donor's father, Dr.

Gustavus Percival Pratt, who lived from 1840 to 1887. Both were medical practitioners in Cohasset. The present Dr. Pratt, a staff member of the hospital plans to have his great-grandfather's portrait hung in the consultation room.

A patient's bed in a large four-bed room on the second floor of the wing will be known as the gift of another staff member, Dr. Walter J. E. Carroll and Mrs. Carroll, who have contributed \$2,100 for the purpose.

A \$1,500 subscription by Dr. and Mrs. L. Curtis Foye will make possible a child's bed in a four-bed room to perpetuate the memory of their son, Curtis Williams Foye, who died in 1930 at the age of 20 months. Dr. Foye is vice president of the medical staff and chairman of the doctors' committee for the building fund project.

Dr. and Mrs. Alfred Yood also have given \$1,500 for another bed in the same room as a memorial to the physician's father, Hyman M. Yood, who died in 1931. Mrs. Yood is commander of a women's division in the public campaign to be held next month on behalf of the building fund.

Still another bed in the same children's room will stand as the gift of Dr. and Mrs. Lawrence H. Anderson, through their \$1,500 contribution.

A joint memorial gift of \$1,500 by the Misses Dorothy P. and Mildred D. Greene will meet the cost of building and equipping a secretary's office in the administrative section of the new wing. This unit will be dedicated to the memory of their parents, Mr. and Mrs. Richard D. Greene. The former who became trustee of the hospital in 1913 a year after it was opened, served continuously in that capacity until his death in 1938 and is recalled as a generous benefactor. Mrs. Greene's death occurred in 1949.

An anonymous gift of \$800 will make possible a bassinets in one of the nurseries on the third floor of the new wing, Mr. Elliott also reported.

Thanking all contributors of the memorials for their generosity, the chairman pointed out that even though numerous staff members are subscribing individual units in the enlarged hospital, their gifts will be credited to the \$72,900 objective which the doctors established for themselves in order to make possible the entire ground floor of the new wing.
